Sept 21, 1778

Mrs Wray of Fort Miller, Catharina Rederbach and Mary England whose Husbands are at this Time with the Enemy at Canada made Application to the Board for Permission to go to Canada with their Families and it having appeared to us that these Women are become chargeable to the Districts in which they severally reside and that they together with their Families are subsisted at the publick Expence. Ordered that on Account of the Reasons above assigned it be recommended to General Stance to send a Flag to Canada with them.

just now I saw a bird which I think to be a sparrow and  
it flew out and the sun shone out and I thought  
that it was a sparrow which was about the size  
of a sparrow. It was mounted on a branch of a tree  
and the tree was a large tree and it was  
just above a large field with some trees  
in the distance. The bird was a small bird and it was  
just above a large field with some trees  
in the distance. The bird was a small bird and it was
